Hi Nancy and Sarah,

I have two quotes for hats, shirts, jerseys from PNJ and Graph-Tex. I am waiting for the official invoices to pass along.

PNJ total is \$1825 and include 4 equipment bags at cost.
Graph-Tex estimate is \$1734 with no duffle bags.

PNJ is local and has been used by the village in the past. The owner is a teacher at TBurg and I would prefer to keep the business local. He is also a volunteer coach.

Graph-tex is in Cortland. They are used by other municipalities and very competitive with pricing on a regular basis.

Will

Thanks for keeping me in the loop! When you decide on which vendor you'll go with, I can help set up an account, give them our tax exempt info if you haven't already.

Hi Will and Sarah, since we will get extra value for the extra cost, I think we're fine to go with the local vendor. Nancy

Sure, do you have contact info for them? Email would be easiest so I can send the tax exempt form.
