Ulysses Town Board Work Plan for 2020	Who will lead/help	Priority: 1-5
Planning/Zoning: Noise Local Law - because noise restrictions were removed from zoning		
 Planning/Zoning: overlay to allow expanded uses for buildings that have been abandoned (e.g. 		
Redders, Barangus, Weavers, Conference center on Indian Fort).		
Sustainability and Environment: Unique Natural Areas; Look at County designated UNAs. Take steps		
to protect through designating them as Critical Environmental Areas (CEAs)		
· Planning/Zoning: committee training on meeting management, SEQR, planning techniques, etc.		
Planning/Zoning: ensure committees have adequate membership to meet quorums		
Planning/zoning: ensure minutes are up to date		
Program Development & Oversight		
Parks & Recreation Related		
Oversee implementation of Recreation Department		
Recreation: "The Habitat" (Salo Drive property) - signs on Rod & Gun edge of property		
· Recreation: Work with non-profit Trumansburg Community Recreation on community center, athletic		
· Recreation: work with NYS Parks to extend Black Diamond Trail from Taughannock to Trumansburg.		
Hear reports & recommendations from Jville Park & Habitat Preserve		
Collaborate on trail development & tourism initiatives		
Energy		
Energy: Climate Smart Community - continue work that has begun		
· Review EV charging stations: review use, maintenance/ develop fee charging protocol		
Heat pump installation		
Check grants and costs for replacing Town car with electric vehicle		
Review condition, costs and savings of solar panels on Town Hall & Barn		
Collaborate with others on water quality initiatives		
Water Quality: develop system for "Purchase of Environmental Protections"		
Water Quality: Septic system testing: consider legislation that would ensure septic systems are not leaking into	bodies of water	
Water quality: stormwater - join others in investigating ways to reduce stormwater flows into the lake.		
Water quality: Work with others in the county on preventing Harmful Algal Blooms (HABs)		
Assist with and review ditching, drainage & stormwater plans & practices		
rissist with the review diterming, draining to storm which plans to produces		
· Communication/ Outreach :		
Guide & develop improved communication & engagement re: zoning & services &		
participation in local government		
Newsletter and perhaps other outreach efforts		
Housing : work on affordable housing. Interface with committee working on housing throughout the		
county.		
· Housing: Low income housing repairs - explore grant funding		
Historic Preservation; Appoint a Historic Preservation Board to aid in preserving historic buildings		
Highway Related		
· Highway: generator		
Highway: LED lights		
Highway: set up system for Highway Dept to share files with Town Hall.		
Highway: Clarify DPW duties & water supervision		
Highway: union contract negotiations		mandatory- expires
Other: Garret Road Right of Way issue		
Roads: Rabbit Run speed limit		
Roads: Rt 96 speed reduction request. Work with Village and resubmit. Contact state legislators to help.		
Facilities Related		
Town Buildings: Presentation for TB info on Town's solar panels: costs, operation, and savings		
Town Buildings: town hall insulation paint chinning paint outside evaluate tile floor replacement		
Town Buildings: town hall insulation, paint chipping, paint outside, evaluate tile floor replacement.		1
Town Buildings: Town hall parking lot needs removal and repaving. Possible grant for permeable pavement.		
Town Buildings: Town hall parking lot needs removal and repaying. Possible grant for permeable pavement. Needs coordination with 4 owners.		
Town Buildings: Town hall parking lot needs removal and repaying. Possible grant for permeable pavement. Needs coordination with 4 owners. Town Hall: install sign & apply for reimbursement grant		
Town Buildings: Town hall parking lot needs removal and repaving. Possible grant for permeable pavement. Needs coordination with 4 owners. Town Hall: install sign & apply for reimbursement grant Town Hall: building accessibility- back door push button for disabled access		
Town Buildings: Town hall parking lot needs removal and repaying. Possible grant for permeable pavement. Needs coordination with 4 owners. Town Hall: install sign & apply for reimbursement grant		

Ulysses Town Board Work Plan for 2020	Who will lead/help	Priority: 1-5
Water District Related		
Water District 1 - CARS contract		
Water District 1 - out of district user contracts		
		Mandatory - Heatlh Dept requirement while
Water district 3: progress reports (quarterly),		in violation.
Water District 3 Annual reconciliation with Town of Ithaca.		
Water District 3 Update Water Units prior to budget		
Water District 3 Oversee Installation of Aerator		
Water District 5: Track progress on creation of new district		
Staff Development & Administration		
· Review and assure implementation of staff safety plans & training		
Review staff performance and assure staff access to training		
· Review a Town Hall capital plan for repairs, accessibility, & safety		
Review condition, costs and savings of solar panels & EV charging		
Invite & Consider recommendations to improve services and/or reduce costs		
Building/Planning: choose software program to track activity & formalize revenue proces	S	
· Review recommendations to integrate record keeping systems across Dpts, Highway and Town Hall		1
· Research and consider Medicare coverage costs for employees & retirees		
· Records: consider options for ownership of e-mail & domain		
Records: organize electronic filing system and train staff to use		
Shared Services Related		
Shared services: Joint Planning with Village and Town Planning Boards; shared training as well		
Shared services: continue exploration with village, school and other local and countywide municipalities; court	rts	
Shared Services: Joint effort to help court clerks in response to new NYS laws
