#### **PARKING AT THE TOWN HALL**

You may have noticed some changes with parking at the town hall. The town does not own the lot on the northeast side of the building. The owners have posted no parking signs for that lot. Please use the lot across the street, or on the side or back of the Town Hall. Handicapped access is available from the rear of the building.

#### **NOTICE TO ULYSSES WATER DISTRICT USERS:**

Any water bills delinquent for at least 60 days as of Oct. 1 will be relieved onto the property owner's tax bill. After Oct. 1, payments on these bills can no longer be accepted. Please note that this applies to Town of Ulysses Water District 3 and 4 users only, not Village of Trumansburg. For more information, contact the Clerk's Office at 387-5767 ext. 2 or clerk@ulysses.ny.us.

**ELECTION INFORMATION:**

October 14 is the last day to register to vote in the General Election on Nov. 8.

**FREE RABIES CLINIC OCTOBER 6<sup>th</sup>**

The Tompkins County Health Department will hold a free rabies clinic on Thursday, October 6<sup>th</sup>, from 7-9pm at the School Bus Garage in Trumansburg. Rabies vaccines will be available for dogs, cats and ferrets. Proof of prior vaccination is required to receive a 3-year certificate. Otherwise, only a 1 year vaccination will be given. Call 607-274-6688 for more information.

**PARTICIPATION AND COMMENTS SOUGHT FOR REGIONAL TRANSPORTATION EFFORTS**

Has medical or employment transportation between counties been a frustrating experience for you or someone you know? Individuals and organizations in the Finger Lakes, Southern Tier, and Central NY are working to design solutions to cross county transportation barriers. If you or your agency is interested in participating we want to hear from you.

Residents and interested agencies of the following counties are invited to participate in developing better regional transportation networks: Broome, Cayuga, Chemung, Cortland, Herkimer, Oneida, Seneca, Schuyler, Steuben, Tompkins, and Tioga. Please take a few moments to complete the following survey to indicate your level of interest: <https://www.surveymonkey.com/r/DPL357W> . For more information please visit [www.movetogetherny.org](http://www.movetogetherny.org) or contact Megan Pulver, Regional Transportation Educator at Way2Go

Tompkins County: 607-272-2292, [msp94@cornell.edu](mailto:msp94@cornell.edu) or Schuyler County Mobility Manager, Amber Simmons at Transportation Link-Line: 607-535-3555, [asimmons@arcofschuyler.org](mailto:asimmons@arcofschuyler.org) before September 30th.

“Creating connections between transportation systems that cross county lines is the goal of the regional transportation project,” Simmons said. “We also hope to expand and improve choices for riders who need to get to medical appointments and work. We need public and agency involvement to know what the issues are and if there are designs we are overlooking.”

This regional transportation project has been initiated with funding through the NYS Department of Transportation, Federal Transit Administration and is supported by many area transportation providers, local agencies, and human service organizations interested in make traveling between counties easier for everyone.

### **DEC ANNOUNCEMENTS:**

#### **Proposed changes to freshwater sportfishing regulations**

The New York State Department of Environmental Conservation (DEC) modifies freshwater sportfishing regulations every two years as part of DEC’s commitment to enhance fishing opportunities and protect the State’s freshwater resources.

There are several proposed changes that affect local waterbodies, including Cayuga Lake. View the proposed changes at <https://content.govdelivery.com/accounts/NYSDEC/bulletins/15f413d> .

Public comments will be accepted through October 7, 2016. Regulations will be effective in April 2017.

#### **Find recreational opportunities on state lands**

The Department of Environmental Conservation (DEC) has an online State Lands Interactive Mapper (SLIM) which can be used to find fishing sites, trails and more on land owned by the state. Check it out at

<http://www.dec.ny.gov/outdoor/45415.html> .

#### **2016-17 hunting licenses and deer management permits:**

Hunting licenses and Deer Management Permits for the 2016-17 season are available for purchase since August 1. Hunting and trapping licenses are valid for one year beginning September 1, 2016. Licenses and permits are available for purchase from the Clerk’s Office, 8am-4pm, M-F.

Deer Management Permits will be available at various through Saturday, October 1, 2016 (but only until Sept. 30 in the Ulysses clerk’s office.) Deer Management Permits, which are used to ensure proper management of the deer herd, are issued through a random selection process at the point of sale. Customers who are selected will receive their permits immediately. The chances of obtaining a Deer Management Permits remain the same throughout the application period - hunters do not need to rush to apply for a Deer Management Permit on the first day of sale. The 2016 chances of selection for a Deer Management Permit in each Wildlife Management

Units are available online, through License Issuing Agents, or the Deer Management Permits Hotline at [1-866-472-4332](tel:1-866-472-4332). Detailed information on [Deer Management Permits](#) is available on DEC's website.

The new Hunting & Trapping Regulations guide, which provides an easy to read compendium of all pertinent rules and regulations, will be available in August at all license issuing outlets and on the DEC [Hunting Regulations](#) webpage along with a list of license-issuing agents. You can also find that list at our [online License Center](#) or by contacting the DEC Call Center at [1-866-933-2257](tel:1-866-933-2257).

### **The venison donation program**

Anyone - not just hunters and anglers - can help feed the hungry by making a monetary contribution to the Venison Donation Program at any license issuing outlet. Individuals should inform the license sales agent if they are interested in making a donation of \$1 or more to support the program. Since 1999, these funds have been used by the Venison Donation Coalition for the processing of more than 330 tons of highly nutritious venison, the equivalent of 2.8 million meals served. For more information about the [Venison Donation Coalition](#) program, visit DEC's website.

### **DONATE EXTRA PRODUCE:**

A resident has agreed to serve as a local food hub. She will collect and donate local produce to needy families. If you have extra produce (fruit, vegetables and eggs) from your garden or CSA share, please drop it off in the cooler at 94 W. Main Street on Mondays, from 9am-8pm from July 1-October 1st. Visit <http://friendshipdonations.org/hubs/> for more information.
