Hello Ulyssians,

In this issue:

- Town budget info
- Krums Corners road closure
- Parking at the Town Hall
- Delinquent water payments notice (Ulysses Water Districts)
- Election information
- Hunting Season Safety
- Upcoming town meetings
- Hydrilla hunt
- Community Calendar

#### **MUNICIPAL BUDGET PRIMER**

Its budget season for most towns in New York State.

Here's how it works:

The Budget Officer (who is sometimes also the Town Supervisor), creates a Tentative Budget, which must be presented to the Town Board by 10/5. The Town Board then weighs in on that budget to create the Preliminary Budget. The Preliminary Budget is made available for the public and a public hearing must be held by 11/15. After hearing public comment, the town board has another opportunity to make changes.

They must adopt a final budget by 11/20.

The Ulysses Town Board will set a public hearing date soon. Visit the town calendar at <http://www.ulysses.ny.us/calendar/?category=Government> to stay updated.

All meetings of the Town Board, including the budget meetings, are open to the public.

#### **KRUMS CORNERS RD. ROAD CLOSURE EXTENDED THROUGH 10/14**

Please note that the closure of Krums Corners Road between Rte. 96 and Iradell Road will be extended through Friday, October 14th to complete a road-crossing pipe.

#### **PARKING AT THE TOWN HALL**

You may have noticed some changes with parking at the town hall. The town does not own the lot on the northeast side of the building. The owners of that lot do not want people to park there. Please use the lot across the street, or on the side or back of the Town Hall. Handicapped access is available from the rear of the building.

#### **NOTICE TO ULYSSES WATER DISTRICT USERS:**

If you have a water bill that is delinquent for 60 days or more, that amount has now relieved onto your Town & County tax bill. Payments on these amounts can no longer be accepted. If this applies to you, look for a letter in the mail any day now with more details. Contact the Clerk's Office for more information.

\* Please note that this applies to Town of Ulysses Water District 3 and 4 users only, not Village of Trumansburg.

#### **ELECTION INFORMATION:**

October 14 is the last day to register to vote in the General Election on Nov. 8.

Visit the Tompkins County Board of Elections for more information or to download a registration form at <http://www.tompkinscountyny.gov/boe>

### **What/who will be on the ballot for Ulysses on Nov. 8?**

We will be voting on a Highway Superintendent and Town Justice, as well as 2 propositions to decide whether the positions of Highway Superintendent and Town Clerk should remain elected positions or become appointed at the pleasure of the town board.

See Ulysses ballot choices here: <http://www.ulysses.ny.us/pdf/2016-elections-chart--updated2.pdf>

### **HUNTING SEASON SAFETY**

Visit the link below to learn some safety tips for both hunters and non-hunters during hunting season. ### **HYDRILLA HUNT -OCTOBER 12 & 20**

A new infestation of hydrilla was discovered along the east shore of Cayuga Lake on September 13.

Lakeside residents and communities are asked to help by collecting suspicious plant samples and bringing them to two collection stations on the east or west shore, on Wednesday October 12 or Thursday October 20, between 3:30 and 6:30 pm.

#### Collection Station Locations:

- \* East shore, Aurora: Entrance to Long Point State Park, 2063 Lake Rd. Aurora, NY 13026.
- \* West shore, Sheldrake: Boat launch loop at the end of Route 139/Sheldrake Point Road, Ovid NY.

For more information on how to collect a sample, how to identify hydrilla, etc., use any of the contact info below:
