CONGRESSMAN TOM REED IS COMING TO TRUMANSBURG

8:30-9:30am

Trumansburg Fire Hall

Mr. Reed represents the 23rd Congressional District of New York, which covers the Southern Tier, Finger Lakes and Western New York. More information is available on his website at <https://reed.house.gov/>

TOWN OF ULYSSES NEWS:

Dog Census

The deadline for responding to the census was May 31. We thank all those who took the time to respond. If you do not have any dogs and have not yet responded, you may still do so at <http://www.ulysses.ny.us/pages/dog-enumeration/>.

As a reminder, census fees are now in effect for new licenses: \$23.50 for spayed/neutered dogs and \$30.50 for unsprayed/unneutered. For more information on dog licensing, visit <http://www.ulysses.ny.us/departments/dept-clerk/clerk-dog-control/>

Public Hearing

The Town of Ulysses will hold a Public Hearing on improvements to Water District 3. The water in the system, which primarily serves the Jacksonville area, has been in violation with the Health Department for several years now due to high chlorination by-products (also called total trihalomethanes (TTHMs), or disinfection by-products (DBPs)). The solution to the problem is an expensive fix and although the district has received some grant funds from the USDA Rural Development program, they will need to bond (i.e. take out a loan) to remediate the situation. The town is required to hold a Public Hearing on whether or not to proceed in bonding.

The Public Hearing will take place at 6:30pm on Tuesday, June 13 in the Ulysses Town Hall, in advance of the regularly scheduled town board meeting.

The official legal notice can be viewed on our website here and is expected to be published in the Ithaca Journal on Friday, June 2.
