UPCOMING TOWN & COUNTY ROAD WORK

About half the roads in the Town of Ulysses are County roads. An easy way to tell is to look at the striping. If a road is striped, it is a County road. If there is no paint on the road, it belongs to Ulysses. The Town of Ulysses plows the roads and mows for the County and then is reimbursed, but the paving is done separately. If there are problems with the pavement on roads belonging to Ulysses, call the Ulysses Highway Department at 387-6230. If there are problems on a County road with the paving e.g. potholes or crumbling shoulders, call 274-0300.

In Ulysses, road maintenance is planned on several roads this year. Pennsylvania Avenue between South Street Extension and the village line will be paved, and the following roads will be oiled and stoned: Cold Springs, Pine Ridge, Glenwood Heights and VanDorn Corners. There will be pipe replacements on Maplewood Road and Glenwood Road.
