TOWN OF ULYSSES NEWS:

TEMPORARY HOURS FOR PLANNING/ZONING OFFICE:

As Darby Kiley has moved on to a new job, there will be new hours for the Planning/Zoning office as we bridge the gap with some temporary helpers. Please take note of the new office hours:

Tues & Wed., 2-4pm

Fridays 10am-1pm

If you need assistance outside of these times, please call 387-9778 ext. 222 or e-mail ulysses.planner@gmail.com to make an appointment.

CLERKS OFFICE HOURS FOR WEEK OF JUNE 4

Please note that there will be a change in office hours for the week of June 4 as the clerks attend a training on effective management of the many town records. The office will be open from 9am-2:45pm on Mon., 6/4 and Tues., 6/5. And 11am-2:45pm on Wed. 6/6. Normal office hours of 8am-4pm will resume on Thursday, 6/7.

TOWN HALL LANDSCAPING

The town received a beautification grant from Cornell Cooperative Extension of Tompkins County to help pay for new landscaping. A "thank you" is due to the Trumansburg Village DPW for their assistance in unloading and setting our new gingko tree.

The project is now almost complete. Stop by and check it out!

For more information on the beautification grant, visit <http://ccetompkins.org/gardening/community-beautification>.

PROPOSED ROUTE 89 WATER DISTRICT

At the request of residents, the town engaged MRB engineers to come up with a rough estimate of creation of a water district along Route 89. A meeting to share this information was held on Wed., May 30 at the Racker Center.

TOWN AFFILIATES:

VOLUNTEER TO MONITOR HABs (Harmful Algal Blooms)

The Cayuga Lake Watershed Network and Community Science Institute are offering a volunteer training to identify, collect and report HABs.

Lakeshore homeowners, boaters and anglers are specifically encouraged to attend a 2 hour training in June.

For more information, location and dates email info@communityscience.org or programs@cayugalake.org.

NEW YORK STATE:

Harmful Algal Bloom (HAB) Notifications

DEC's harmful algal bloom (HABs) Harmful algal bloom notification season has started. The HABs Notifications webpage (<http://www.dec.ny.gov/chemical/83310.html>) will be updated every Friday through the fall.

8 new waterbodies with HABs have been added to the HABs Notifications webpage.

Because waterbodies may have HABs that have not been reported to DEC, we recommend avoiding contact with floating mats, scum and discolored water.

If you suspect you have seen a HAB, or you, your family, or pet has been in contact with a HAB, please follow the instructions for reporting a bloom to DEC.

FREE FISHING DAYS

During Free Fishing Days/Weekends, anyone can fish the fresh waters of New York State and no fishing license is required! All other freshwater fishing regulations still apply.

Upcoming Free Fishing Dates

June 23-24, 2018

September 22, 2018

November 11, 2018

For more information, visit <https://www.dec.ny.gov/outdoor/89821.html>

ELECTION UPDATES:

The NYS primary will be held on Tuesday, June 26 to determine the candidates running for US Senate (currently held by Kirsten Gillibrand), and the US House 23rd District (currently held by Tom Reed). The last day to register to vote is June 6 and the last day to register for an absentee ballot is June 19.
