

Town of Ulysses, NY

Chapter 186. Vehicles and Traffic

Article I. Parking

§ 186-1. Findings.

- A. Activities and events taking place within the Ulysses A2-Special Agriculture District (Trumansburg Fair Association property) have increased in recent years and at times interfere with the normal maintenance and use of Rabbit Run Road; and
- B. Residents of Rabbit Run have voiced their desire to limit parking in areas fronting their properties; and
- C. The continued long-term parking on Town highway rights-of-way of Rabbit Run create a situation detrimental to the health and safety of both Town residents and participants of events held at the fairgrounds, and the health and safety issue has been noted by the Tompkins County Sheriff; and
- D. Article 41 of Vehicle and Traffic law allows for the regulation of traffic on highways outside any village within the Town. Section 1660-a specifically allows towns to prohibit, restrict, or limit the stopping, standing, or parking of vehicles.

§ 186-2. Parking policy adopted.

The Town Board of the Town of Ulysses does hereby adopt a policy directing the Highway Superintendent, with a motion by the Town Board, to temporarily post any Town highway, for a period of up to 30 days, that restricts parking and to install or realign existing permanent "no parking any time" signs to accommodate requests from road's residents and to promote the health and safety of all.
