

Town of Ulysses – Route 89 Water District

May 30, 2018

This is a non-binding poll to gauge public interest. Two (2) Scenarios for a potential district have been evaluated beginning at the Town of Ithaca and Ulysses border on Route 89:

**Scenario 1:** Route 89, Maplewood Road and Terminating at the Cayuga Nature Center

**Scenario 2:** Route 89, Maplewood Road terminating at Taughannock Park

**Which Scenario applies to where you reside (check one)?**

- North of Cayuga Nature Center \_\_\_\_\_  
*(the Nature Center is located at 1420 Taughannock Blvd)*
- South of Cayuga Nature Center \_\_\_\_\_

The costs below include average household water usage, repayment of water district debt (likely a 30 year term) and annual operation and maintenance fees. Please note that the costs to connect your home to the town’s water main are not included in this estimate. What is the maximum annual cost you would be willing to pay if a Water District were formed based on an estimated annual cost of:

- \$2,000/year \_\_\_\_\_
- \$2,500/year \_\_\_\_\_
- \$3,000/year \_\_\_\_\_
- \$3,500/year \_\_\_\_\_
- \$4,000/year \_\_\_\_\_

Name: \_\_\_\_\_

Address: \_\_\_\_\_

Please return this survey by mail or email:

**mail:** Town of Ulysses  
10 Elm Street  
Trumansburg, NY 14886

**email:** (name, address, north or south of CNC, estimated cost)
