100 INTRODUCTION

101 *Welcome Message*

We would like to welcome you and congratulate you on your position with the Town of Ulysses. As a part of our team, you take on an extremely important role, that of serving the members of our community. Together, our mission is to provide cost-effective services that conform to the highest standards of quality.

This Personnel Policy is designed to familiarize you with policies and to help ensure government compliance, foster positive relationships, and contribute to the overall success of the Town in delivering services to the public effectively and efficiently.

Please keep in mind that this is only an overview of the Town's policies and procedures, employee benefits, and the Civil Service System. Specific questions concerning employment matters should be addressed to your Department Head.

We trust that you will find service with the Town of Ulysses rewarding both personally and professionally.

102 *Our Heritage*

The Town of Ulysses was settled in 1790 and was named for the hero of Homer's Odyssey. The Town was incorporated in 1794 as part of a land grant payment to Revolutionary War soldiers. Ulysses is 36.84 square miles, including 32.98 square miles of land and 3.86 square miles of water. Ulysses is bounded by the Town of Covert in Seneca County to the north, the Towns of Ithaca and Enfield to the south, and Town of Hector in Schuyler County to the west. The eastern town line is Cayuga Lake. The Town's character is defined by agricultural lands and open space interspersed by pockets of residential development, a variety of small-scale commercial uses, and a well-defined village center in Trumansburg. The Village of Trumansburg was incorporated in 1872 and became the commercial and residential center of the Town of Ulysses. While much of the Town is devoted to farms, the proximity to Ithaca has brought a large number of professionals, academics and artists to the Town. There were historically a number of small "communities" within the larger Town, including: DuBois Corner, Halseyville, Jacksonville, Krums Corner, Podunk, Waterburg and Willow Creek.

103 **Definitions**

Town of Ulysses – For purposes of this Personnel policy, the Town of Ulysses may be referred to as the “Town”.

Town Board – For purposes of this Personnel policy, “Town Board” will mean the Town Board of the Town of Ulysses.

Elected Official – For the purposes of this Personnel policy, “Elected Official” will mean and refer to any of the following elected officials of the Town of Ulysses:

- Town Supervisor
- Town Board Members (4)
- Town Justices (2)
- Town Clerk
- Superintendent of Highways

Town Supervisor – For purposes of this Personnel policy, “Town Supervisor” will mean the Town Supervisor of the Town of Ulysses. When referenced in this Personnel Policy, Town Supervisor shall also mean an individual acting with the Town Supervisor’s properly designated authority.

Department Head – For purposes of this Personnel Policy, “Department Head” will mean the person in charge of any department, agency, bureau, unit, or subdivision of the Town of Ulysses. This definition will be applicable in the event such person is serving in an acting, temporary, or provisional status in the position of Department Head. This term shall also include the Town Supervisor, where an individual otherwise designated as Department Head or any other individual must report directly to the Town Supervisor.

Supervisor – For purposes of this Personnel Policy, “supervisor” will mean the individual so designated by the Department Head to direct and inspect the performance of employees.

Employee – For the purposes of this Personnel Policy, “employee” will mean a person employed by the Town, including, but not limited to, an appointed official, an appointed member of a board or commission, Department Head, managerial employee, confidential employee, supervisory employee, provisional employee, probationary employee, temporary employee, seasonal employee, trainee, or student intern, but not an independent contractor.

Civil Service Law – For purposes of this Personnel Policy, “Civil Service Law” shall mean the New York State Civil Service Law and shall include the *Civil Service Rules for Tompkins County*.

104 **Employee Classifications** – (Amended 11/22/2016)

For purposes of this Personnel Policy, the following terms shall be defined as indicated. The definition provided for each of these terms applies only within the context of this Personnel Policy. The meaning and use of these terms or similar terms may be different in the context of Civil Service Rules.

“Class A” Full-Time Employees – For purposes of this Personnel Policy, the term “Class A employee” will mean an employee who is regularly scheduled to work a minimum of thirty (30) or more hours per week.

“Class B” Employees – For purposes of this Personnel Policy, the term “Class B employee” will mean an employee who is scheduled on a regular and on-going basis to work at least twenty (20) or more and less than thirty (30) hours per week.

“Class C” Employees – For purposes of this Personnel Policy, the term “Class C employee” will mean an employee who is scheduled on a regular and on-going basis to work less than twenty (20) hours per week.

“Shared Employee” – For the purposes of this Personnel Policy, the term “Shared Employee” will mean:

- an employee who works for the Town of Ulysses and one other municipality (either within Tompkins County or adjacent municipalities in neighboring counties), and
- an employee whose combined hours are more than 20 hours/week.

The Town may enter into agreements with other municipalities to arrange for payment/reimbursements for health insurance and dental premiums.

A “Shared Employee” will be classified under the Town of Ulysses Employee Classification system based on their combined total hours worked for both municipalities. The employee will be entitled to have the Town of Ulysses pay a proportional share of their health insurance and dental benefits based on the classification fitting the total hours worked for both municipalities. However, the total of insurance premium payments (by both municipalities) may not exceed the maximum benefit of the Town's classification.

For example,

If the Town's payment of “Class A” benefits equals 90%, the employee's benefits may not exceed 90%. If the sharing municipality offers more generous insurance coverage, the Town of Ulysses will only provide its share of a 90% benefit maximum.

An employee working 20 hours for the Town of Ulysses and 20 hours for another municipality would be considered a Class A employee in 2016. The Personnel Policy requires the Town to pay 90% of health insurance for a Class A employee. For a “Shared Employee”, the Town would pay half, or 45%, of the health insurance premium.

Temporary Employees – For purposes of this Personnel Policy, the term “temporary employee” will mean an employee who is employed on an interim or sporadic basis, or who is employed to work on a special, emergency, or on-call basis for a specified period, consistent with the Civil Service Law as applicable.

Seasonal Employees – For purposes of this Personnel Policy, the term “seasonal employee” will mean an employee who is employed to work for a given season or portion thereof.

FLSA Non-Exempt Employees – For purposes of this Personnel Policy, the term “FLSA non-exempt employee” will mean a covered employee who is subject to the minimum wage and overtime provisions of the Fair Labor Standards Act.

FLSA Exempt Employees – For purposes of this Personnel Policy, “FLSA exempt employee” will mean a covered employee who qualifies for an exemption from the minimum wage and overtime provisions of the Fair Labor Standards Act (FLSA), or an employee who is not covered under the FLSA.

Elected Officials - For the purposes of health benefits described in the Personnel Policy, “Elected Official” refers to the following Elected Officials of the Town of Ulysses:

- Town Clerk (considered Class “A” exempt): A Clerk, with the approval of the Town Board, may work less than full time and receive pro-rated health benefits.
- Superintendent of Highways (considered Class “A” exempt) Superintendent, with the approval of the Town Board, may work less than full time and receive pro-rated health benefits.
- Town Supervisor, (considered a Class “A” exempt) a Supervisor, with the approval of the Town Board, may work less than full time and receive pro-rated health benefits.
- Town Board Members (considered Class “C” exempt)
- Town Justices (considered Class “C” exempt)

Plan Documents – Some of the subjects described in this Handbook are covered in greater detail in benefit plan documents or applicable laws governing the benefit, such as New York State Retirement Law for retirement benefits. This handbook only briefly summarizes those benefits. The terms of written insurance policies, benefit plans, and applicable laws and regulations control in all cases.

Employment Reference and Background Checks – To ensure that individuals who join the Town are well qualified and have a strong potential to be productive and successful, the Town reserves the right to check the employment references of final applicants. (Appendix M is a hold harmless statement and release form).

303 **Probationary Period**

The *Civil Service Rules for Tompkins County* provide for the following, which is applicable to employees appointed, promoted or transferred pursuant to the Civil Service laws. Additional provisions may also apply in accordance with those rules.

Purpose of Probationary Period – The purpose of the probationary period is for an employee to become familiar with the specific duties and responsibilities of the employee's new position. The probationary period also provides the Department Head with an opportunity to evaluate the employee's job performance and potential for development in the position.

Length of Probationary Period – Except as otherwise provided in the *Civil Service Rules for Tompkins County*, every permanent appointment from an open-competitive list and every permanent appointment to a position in the non-competitive, exempt or labor class shall be for a probationary term of not less than eight (8) weeks nor more than fifty-two (52) weeks. The length of the probationary period may be extended in accordance with the *Civil Service Rules for Tompkins County*.

Successful Completion of Probationary Period – An employee's appointment will become permanent upon written notice that the probationary period has been successfully completed following the minimum period of service required. Or, the employee's appointment will become permanent upon the retention of the employee after completion of the maximum period of service required. **Except as otherwise provided by law, completion of the probationary period does not necessarily confer rights or privileges in the position.**

Employment Status During Probationary Period – During the probationary period (at any time after the completion of the minimum probationary period and before completion of the maximum probationary period), an employee will be subject to demotion, suspension, or discharge at the Town's sole discretion. If the performance or conduct of an employee serving a probationary period who has been promoted or transferred from a permanent appointment (as defined by civil service regulations) is not satisfactory, the employee shall be returned to the employee's former permanent position prior to the end of the probationary period.

304 **Performance Appraisal**

Statement of Purpose – The purpose of a performance appraisal is to evaluate employee performance. The performance appraisal will take into consideration criteria that properly reflects the employee's performance including, but not limited to, the employee's work quality, job knowledge, initiative, attendance, teamwork, conduct, and communication skills. The employee's performance appraisal may be considered in determining a pay increase and/or as a factor in promotion or disciplinary action.

Frequency – An employee will be formally evaluated prior to completion of a probationary period and at least once each year thereafter on a date determined by the employee's Department Head. Informal evaluations will occur on an as needed basis throughout the performance cycle.

Appraisal Meeting – The evaluator will meet with the employee to review the employee's performance appraisal report (appendix I). Both the employee and the evaluator will sign the report to confirm the appraisal took place which shall include areas of strength and training or development opportunities to improve skills or prepare for promotion.

Deficiencies – Should deficiencies be recorded in the performance of the employee, the employee will receive written recommendations for improvement.

Employee Comments – An employee's written comments, if any, will be included with the performance appraisal report.

305 **Corrective Action and Discipline**

Policy Statement – It is the policy of the Town of Ulysses that certain rules and regulations regarding employee behavior are necessary for the benefit and safety of all employees, the efficient operation of the Town, and the delivery of services to residents of the Town. Any conduct that interferes with operations or that discredits the Town will not be tolerated. Each employee must conduct oneself in a positive manner so as to promote the best interests of the Town. Corrective action is necessary when an employee has demonstrated performance deficiencies, or has violated a policy, rule, regulation, or procedure. Corrective action may include counseling or initiating formal disciplinary action against an employee.

Communication – Open and candid communications with all employees is an important aspect of the Town of Ulysses' on-going employee relations. When a rule, policy, or procedure is violated, the employee's Department Head, or other designated supervisor, will review the specific nature of the violation with the employee. The employee's input is extremely important to ensure that all of the facts have been considered.

Counseling – Counseling employees, as opposed to initiating formal disciplinary action, may be the appropriate first step in addressing performance deficiencies or misconduct. The purpose of counseling is to inform the employee of such deficiencies or misconduct, discourage its recurrence, and inform the employee of the consequences if the behavior is repeated. When performance deficiencies are the issue, the performance standards of the job should be reviewed, along with specific examples of how the employee is not meeting those standards. Where appropriate, goals for improvement may be established, along with a time frame for achieving them. The counseling will be documented in writing and the employee will be required to acknowledge receipt by signing the memorandum. Any employee who fails to follow a supervisor's directive to sign the counseling memorandum to acknowledge receipt will be subject to disciplinary action.

Discipline – The purpose of disciplinary action is to impose penalties for performance deficiencies or misconduct. In **normal circumstances**, the Town endorses a policy of progressive discipline which includes, but may not be limited to, documented verbal reprimand, letters of reprimand, suspension without pay, or termination of employment, depending on the circumstances. The Town retains the right to discipline employees without engaging in progressive discipline or prior counseling if the situation so warrants and retains the right to discipline employees in any manner it sees fit.

Investigations – Where appropriate, an investigation will be conducted by the proper supervisor or other designated individual(s) in order to gather all pertinent information and to ensure that all the facts are considered. The investigation may include, among other things, interviews with the employee and any witnesses or other involved parties, and review of documents and materials. Employees who are participants in an investigation are not allowed to disclose the content or particulars of the investigation unless otherwise authorized. All employees who are called upon to participate in an investigation are required to fully cooperate in the process and respond truthfully to all questions posed. Failure to do so will subject the employee to appropriate corrective action. The Town reserves the right to suspend an employee while an investigation is conducted.

Procedures – Employees covered by **Civil Service Law Section 75** shall be disciplined in accordance with the procedures contained therein. (Refer to Section 306) of this Personnel Policy).

500 ABSENCE POLICIES

501 **Attendance** (Amended 1/23/2018)

Tardiness – An employee must be ready and able to work at the time the employee is scheduled to begin work based on the work day set by their department head. In the event an employee is unable to report to work at the scheduled time, the employee must notify the employee's Department Head prior to the employee's scheduled starting time. The reason for tardiness and the expected time of arrival must be indicated to the Department Head.

Scheduled Absences – Requests for scheduled time off, such as the use of vacation leave and personal leave, must be approved by the Department Head in advance. All requests for time off are subject to approval by the employee's Department Head on a case-by-case basis. Refer to Section 802, Vacation Leave, and Section 704, Personal Leave, for further details.

Daily Notification – In the event an employee is unable to report to work for an unscheduled reason, the employee must notify the employee's Department Head each day of the absence and state the reason for the absence. If the absence was pre-authorized, this requirement will be waived.

Unscheduled Absences – An employee who is unable to report to work must personally make every effort to contact the employee's Department Head prior to the employee's scheduled starting time. If at all possible, the employee must speak directly with the Department Head, indicating the reason for the absence and when the employee expects to return to work. Asking another person to call in on the employee's behalf is not permitted. Notification requirements are waived in cases of emergency.

Unexcused Absences – Notification of an absence to an employee's Department Head does not automatically mean the absence is authorized. Any time off from work that is without approval of an employee's Department Head is considered an unexcused absence. An unexcused absence is without pay and may result in disciplinary action, up to and including termination.

Early Departure – In the event an employee must leave work during the workday, the employee must either seek permission from the employee's Department Head prior to leaving or record the time left on the time card.

Documentation of Absences – An employee may be required to provide appropriate documentation in justification of some absences, such as disability benefits or some medical leaves (see other sections). Documentation may include medical verification.

502 Jury Duty Leave *(Amended 1/23/2018)*

Jury Leave - In the event a full-time or part-time employee is required to perform jury duty on a day the employee is scheduled to work, the employee will receive paid jury duty leave. Such leave will not be subtracted from any of the employee's leave credits. An employee is obligated to notify the Commissioner of Jurors that the Town is paying the employee's full pay during jury duty. If the employee receives a jury stipend from the courts, such amount must be reimbursed to the Town. An employee can collect and keep any mileage or parking expense reimbursement that may be issued by the court system for performing jury duty.

The Town shall pay a temporary or seasonal employee for the first three days the employee serves jury duty if on those days the employee is scheduled to work for the Town. After the first three days, the employee may be eligible for a stipend issued by the court system if the employee continues to serve on jury duty.

Notification of Jury Duty – When an employee receives notice to report for jury duty, the employee must immediately submit a copy of the notice to the employee's Department Head or Town Supervisor's office.

Return to Duty – In the event the employee is released from jury duty on a given day and there are two or more hours remaining in the employee's scheduled workday, the employee must report to work. The employee will be allotted time to return home and prepare for work.

Accrual of Benefits – The Town will continue to provide health insurance benefits for an eligible employee during the jury leave. Vacation leave, sick leave and holiday benefits will continue to accrue during jury duty leave. Hours worked for jury duty are considered "hours worked" for purposes of overtime.

503 **Military Leave and Military Leave of Absence**

Military Leave (New York State Law) – This section refers only to a paid leave for military service under New York State Law and does not affect an employee’s entitlement to leave needed for military service under federal statute. The Town of Ulysses recognizes the importance of the Military Reserve and National Guard, and will permit any employee the use of military leave to perform ordered military duty or required training. The Town will grant such leave with pay for up to twenty-two workdays or thirty calendar days in a calendar year, whichever is greater. Such military leave beyond the twenty-two workdays or thirty calendar days in a calendar year will be unpaid, however accumulated vacation leave may, at the employee’s option, be used at any time during the leave. In accordance with applicable New York State law, the employee may keep all pay received for military service.

Military Leave of Absence (Federal Law) – An unpaid leave of absence for a period of up to the federal statutory limits will be granted to an employee to serve in any of the Armed Forces of the United States. The employee’s accumulated vacation leave may, at the employee’s option, be used at any time during such leave of absence.

504 **Leave for Designated Cancer Screening** *(Amended 1/23/2018)*

Policy – The Town of Ulysses complies with New York State Civil Service Law which entitles all Town employees to paid leave to undertake screening for breast cancer (under §159-b) and prostate cancer (under §159-c) or colonoscopy. This leave will not be charged against any available sick, vacation, personal, compensatory or other leave accruals. This does not preclude an employee’s option to use other available paid leave for this same purpose.

Allowance – An employee will be allowed four hours of paid leave per year for the purpose of undergoing a screening procedure for breast cancer, and four hours of paid leave per year for the purpose of undergoing a screening procedure for prostate cancer (male employees only) and 4 hours for a colonoscopy as recommended by a physician. Such paid leave will be accrued as of January 1 each year. If the employee does not exercise his/her rights to the leave, those hours are not carried forward to the next year. The allowed leave time may include the travel time to and from the appointment and any subsequent follow up consultation visits. In addition, the allowed leave may be staggered throughout the year until the maximum allowance has been reached. Leave for cancer screening is not considered “hours worked” for the purposes of overtime.

Scheduling – An employee must receive prior approval from the employee’s Department Head to take leave for this purpose. The request for leave should be submitted to the Department Head in writing a minimum of two days in advance. The Department Head will have total discretion in the approval of this leave, but will not unreasonably deny such request.

Documentation Requirements – If an employee applies for paid leave for a cancer screening procedure under this policy, documentation must be provided to the Department Head from the health care provider verifying that the absence from the workplace was for cancer screening. If an employee uses any other available leave for a cancer screening procedure, the provisions of the applicable leave policy (e.g. sick, personal, vacation,

compensatory) will apply; there is no requirement in such a case to provide specific documentation regarding cancer screening.

505 Leave for Blood Donations *(Amended 1/23/2018)*

Policy –The Town of Ulysses complies with New York State Labor Law Section §202-j which entitles Town employees who work an average of twenty hours or more per week to a leave of absence for the purpose of making a blood donation. This leave of absence will not be charged against any available sick, vacation, personal, or other leave accruals. The leave allowed under this policy is unpaid, however, this does not preclude an employee's option to use available paid leave for this same purpose.

Allowance – An eligible employee will be allowed a leave of absence of up to three hours per year under this policy. Such leave will be accrued as of January 1 each year. If the employee does not exercise his/her rights to this leave, those hours are not carried forward to the next year. The allowed leave may include the travel time to and from the appointment. Leave for blood donation is not considered as "hours worked" for the purposes of overtime.

Scheduling – An employee must receive prior approval from the employee's Department Head to take leave for this purpose. The request for leave should be submitted to the Department Head in writing a minimum of two days in advance. The Department Head will have total discretion in the approval of this leave, but will not unreasonably deny such request.

Such leave will not be subtracted from any of the employee’s leave credits. A Class “C”, temporary, or seasonal employee is not eligible for paid bereavement leave but may be allowed to take time-off without pay provided the employee has prior approval from the Department Head. Leave for bereavement is not considered “hours worked” for the purposes of overtime.

The Department Head will have total discretion in the approval of an employee’s extended bereavement leave, based upon the needs of the department.

507 **Trumansburg Volunteer Firefighters/Emergency Responders** (Amended 1/23/2018)

Policy – In the event an employee is called upon to perform volunteer duties as a Trumansburg firefighter or emergency responder on a day the employee is scheduled to work, the employee will receive paid leave to perform such duties if so authorized. The employee may not leave the workplace until it has been approved by the appropriate supervisor. The paid leave is limited to the extent of the employee’s regular work schedule. Such leave will not be subtracted from any of the employee’s leave credits. Time spent by the employee performing such duties, including driving to and from the scene, will not be included as time worked for purposes of computing overtime. The employee is required to return to the worksite upon completion of the emergency call, unless such call ends after the end of the employee’s scheduled work shift.

Documentation Requirements – The employee must account for all time spent responding to emergency calls on the employee’s time sheet, including the time the employee left and returned to the worksite. The employee may be required to submit verification of the employee’s attendance at such call.

Responding to Calls During Paid Leave – If the employee is on a paid leave from the Town (i.e. vacation, holiday, sick, personal, etc.) and the employee responds to a call, the employee will not receive additional compensation from the Town and the employee's appropriate leave time will still be charged. Leave for emergency responders is not considered as "hours worked" for the purposes of overtime.

508 **Family and Medical Leave Policy**

Policy Statement – It is the policy of the Town of Ulysses to grant a full-time employee a leave of absence without pay for a period of up to **twelve weeks**, under certain circumstances. If and when any employee meets the eligibility requirements under the *Family and Medical Leave Act*, the provisions of that Act will then take precedence over this policy.

Granting of Leave of Absence – The granting and duration of each leave of absence will be determined by the Town Board in conjunction with applicable federal and state laws, including Civil Service Law Sections 71, 72 and 73, as applicable, and the *Civil Service Rules for Tompkins County*.

Types of Leave – The following types of leaves of absence will be considered:

- **Sick Leave of Absence** – Employees who are unable to work because of a serious health condition or disability may be granted a sick leave of absence. This type of leave includes disabilities caused by pregnancy, childbirth, or other related medical conditions. The Town requires certification of an employee's need for sick leave, both before the leave begins and on a periodic basis thereafter, by the employee's health care provider.

In addition to leave provided under this policy, employees may be eligible for a leave of absence pursuant to Civil Service Law Section 71. Section 71 provides that **covered** employees shall be entitled to a leave of absence for at least one cumulative year (unless found to be permanently disabled) when disabled due to an occupational injury or disease as defined in the Workers' Compensation Law. This leave runs concurrently with the designated Family and Medical Leave. Employee should consult with their Town Supervisor's office for further details regarding this provision.

- **Parental Leave of Absence** – Female employees, when not disabled by pregnancy or childbirth (see above), and male employees may be granted a parental leave of absence to care for a child upon birth or upon placement for adoption or foster care.
- **Family Care Leave of Absence** – Employees may be granted a family care leave of absence for the purpose of caring for a child, spouse or parent who has a serious health condition. The Town requires certification of the family member's serious health condition, both before the leave begins and on a periodic basis, by the family member's health care provider.

Eligibility – To be eligible, an employee must meet the following requirements:

- The employee must have completed at least one year of full-time, continuous service during the previous twelve months prior to the date leave commences.

Definitions – For the purpose of this policy, the following definitions will apply:

- **Serious Health Condition** will mean and refer to an illness, injury, impairment, or physical or mental condition that involves inpatient care in a hospital, hospice, or residential medical care facility, or any subsequent treatment in connection with such inpatient care; or continuing treatment by a health care provider, including, but not limited to:
 - * A period of incapacity of more than three consecutive calendar days and any subsequent treatment or period of incapacity that also involves continuing treatment by a health care provider;
 - * A period of incapacity due to pregnancy or prenatal care;
 - * A period of incapacity or treatment for such incapacity due to a chronic serious health condition;
 - * A period of incapacity which is permanent or long-term due to a condition for which treatment may not be effective; or
 - * A period of absence to receive multiple treatments, including any period of recovery, by a health care provider, or by a provider of health care services under orders of or on referral by a health care provider, for restorative surgery after an accident or other injury or for a condition that would likely result in a period of incapacity of more than three consecutive calendar days in the absence of medical intervention or treatment.
- **Health Care Provider** will mean and refer to a doctor of medicine or osteopathy who is authorized to practice medicine or surgery by the State in which the doctor practices; or any other person defined in the FMLA regulations capable of providing health care services.
- **Family Member** will mean and refer to:
 - * **Spouse** – husband or wife as defined or recognized under State law for purpose of marriage; or committed domestic partners who are those who are financially and emotionally interdependent in a manner commonly presumed of spouses.
 - * **Parent** – biological parent or an individual who stands or stood in *loco parentis* to an employee when the employee was a son or daughter as defined directly below. This term does not include an employee's parents "in law".
 - * **Child** – biological, adopted or foster child, a stepchild, a legal ward, or a child of a person standing in *loco parentis*, who is either under age eighteen, or age eighteen or older and "incapable of self-care because of a mental or physical disability". Persons who are "*in loco parentis*" include those with day-to-day responsibilities to care for and financially support a child or, in the case of an employee, who had such responsibility for the employee when the employee was a child. A biological or legal relationship is not necessary.

Notification Requirements – If the need for leave is foreseeable, the employee must give notice, in writing, to the Department Head at least thirty calendar days prior to the commencement date of the unpaid leave. The employee and Department Head must complete the Leave of Absence Request Form and forward the completed form to the Town Supervisor for review. The failure of an employee to give thirty days' notice of foreseeable leave with no reasonable excuse for the delay may result in the delay of the employee taking the leave until thirty days from the date of notice. When the need for leave is unforeseeable, verbal notice to the employer will be sufficient.

Status Reports – The employee must periodically update the Department Head as to the employee's status and intent to return to work.

Medical Certification – The employee must produce a medical certification issued by a health care provider which supports the need for a leave under this policy. When required, the employee must provide a copy before the leave begins, or if the leave was unforeseeable, no later than fifteen calendar days from the date the certification was requested. Failure to submit medical certification may jeopardize the employee's eligibility for an unpaid leave of absence and/or the ability to return to work. The medical certification must include:

- The date the medical condition began;
- The probable duration of the medical condition;
- Pertinent medical facts; and,
- An assertion that the employee is unable to perform the employee's essential job functions or that the employee is needed to care for a family member for a specified period of time.

The Town of Ulysses reserves the right to request a second opinion by another health care provider. The Town will pay for the second opinion. In the event a conflict occurs between the first and second opinion, the Town may, again at its own expense, obtain a third opinion from a health care provider approved jointly by the Town and the employee. This third opinion will be final and binding.

Leave for the Birth, Adoption or Foster Care Placement of a Child – Leave for the birth of a child or the placement of a child for adoption or foster care must conclude within twelve months from the date of the birth or placement.

Certification for Adoption/Foster Care – An employee must produce proper certification from the appropriate agency for an unpaid leave for the adoption or foster care of a child.

Employment Restrictions During Leave of Absence – While on an approved unpaid leave, the employee may not be employed by another employer during the same hours that the employee was normally scheduled to work for the Town of Ulysses.

Benefits During a Leave of Absence – For the purpose of this policy, the following will apply:

Use of Accrued Paid Leave Credits – An employee taking leave for the **birth, adoption or foster placement of a child or to care for a spouse, child or parent with a serious health condition** may use all vacation leave credits in addition to the maximum twelve weeks of leave.

For leaves taken due to the **employee's own serious health condition**, the employee must first use all sick leave and vacation leave credits, which will be included in the maximum twelve weeks of leave. However, in the event that the paid leave credits available are greater than the maximum twelve-week period, an employee may use paid leave credits to extend the leave of absence beyond the twelve-week period, **up to a maximum of one year**. If, after the completion of the one-year leave of absence, the employee is medically unable to return to work (as determined by a health care provider) and the employee has leave credits remaining, the Town Board may authorize an extension of the employee's leave of absence until such benefits are exhausted. However, **job reinstatement** beyond the one-year leave of absence **is not automatic** and will be dependent upon job availability, in accordance with Civil Service Law Sections 71, 72 and 73, as applicable, and the *Civil Service Rules for Tompkins County*.

- **Accrual of Paid Leave Credits** – An employee will continue to accrue vacation and sick leave and receive holiday pay during the portion of the leave that is paid. **Paid leave is defined as leave during which the employee continues to use accumulated paid vacation and sick leave.** After all such paid leave is exhausted, the remaining leave of absence is unpaid. An employee will not earn paid vacation or sick leave or receive holiday pay for any holidays that may occur during an unpaid leave of absence.
- **Medical Insurance** – During the period of authorized leave under this policy, up to a maximum of twelve weeks, an employee's eligibility status for medical insurance coverage will not change. All employee contributions (if any) must be paid on a timely basis in order to maintain the continuous coverage of benefits. Contributions will be at the same level as if the employee was working. Coverage will cease if payments are not made within a thirty-calendar day grace period of the due date. Premium payments or policy coverage are subject to change. In the event the employee fails to return to work after the authorized leave of absence period has expired, provisions of COBRA (see Section 710) will apply. In addition, the Town may recover the premium that it paid for maintaining the coverage during any period of the unpaid leave except for the following circumstances:
 - * The continuation, recurrence, or onset of a serious health condition of the employee or the employee's eligible family member with proper medical certification; or,
 - * Circumstances beyond the employee's control, such as: parent chooses to stay home with a newborn child who has a serious health condition; employee's spouse is unexpectedly transferred to a job location more than 75 miles from the employee's work-site; the employee is laid off while on leave.

Return to Work – The following conditions for returning to work will apply:

- **Job Restoration** – At the conclusion of the leave of absence, (except for leaves beyond a one-year period) the employee, provided that the employee returns to work immediately following such leave, will be restored to the position the employee held when the leave began, or an equivalent position with equivalent benefits, pay and working conditions. For an authorized leave of absence beyond the one-year period, job restoration will be dependent upon job availability, in accordance with Civil Service Law Sections 71, 72 and 73, as applicable, and the *Civil Service Rules for Tompkins County*.
- **Medical Statement** – Before resuming employment, an employee must submit a statement from the employee's health care provider indicating that the employee is able to return to work either with or without restrictions. The Town reserves the right to have the employee examined by a physician selected and paid for by the Town to determine the employee's fitness to return to work either with or without restrictions. Failure to return to work when required may be considered a voluntary termination.
- **Early Return** – An employee who intends to return to work earlier than anticipated must notify the Department Head at least five business days prior to the date the employee is able to return. The Department Head shall in turn notify the Town Supervisor.
- **Extension of Unpaid Leave of Absence** – An employee who wants an extension of the leave previously requested must notify the employee's Department Head at least two business days from the date the change occurred which necessitates the change in leave time. The Town Board reserves the right to approve all leave extensions or authorizes the Supervisor to do so.

Statement of Compliance – The Town of Ulysses complies with the provisions of the Family and Medical Leave Act (FMLA).

509 Leave to Vote (*Amended 11/22/2016, 1/23/2018*)

An employee is allowed up to 2 hours of paid leave to vote in local, state, or federal elections. Leave to vote is not considered as "hours worked" for the purposes of overtime.

600 COMPENSATION

601 *Wage and Salary*

Rate of Pay – An employee's rate of pay will be established by the Town Board.

Merit Increases – An employee may receive a merit pay increase or bonus based upon the employee's past performance. The merit increase will be granted at the discretion of the Town Board and will be based on a written performance review by the Department Head.

Cost of Living Increases – An employee, or employees may receive pay increases based upon an increase in the cost of living. The cost of living increase will be granted at the full discretion of the Town Board.

602 *Overtime / Compensatory Time* (Amended 4/28/15, 12/8/15, 12/14/15, 11/22/16, 1/23/18)

Authorization – A Department Head may require an employee to work additional hours beyond the employee's normal workday and workweek set by the department head. An employee must receive prior approval from the employee's Department Head or supervisor before working additional hours above the standard work day or work week if claiming overtime or compensatory time.

Record-keeping - Recordkeeping of compensatory time begins each year on January 1. An employee must use all compensatory leave credits within the calendar year in which they are earned. Records of compensatory time will be kept by the employee on a town time sheet showing a running total of hours accumulated and hours used. Compensatory time is calculated based on the sum of hours worked in a 2-week pay period. Each time sheet must be approved by the employee's supervisor, and submitted to the Town Supervisor's office to be filed. It is the responsibility of the Department Head to ensure that no employee exceeds taking off more hours than the compensatory time limit.

Compensation time cap - Employees may accrue up to, but not more than, a maximum of ten standard work days of compensatory time annually.

Work Day – For purposes of this policy, a "work day" shall be defined as the total number of paid hours an employee is scheduled to work in a workweek (as defined by the Department Head), divided by five, rounded up to the nearest half hour. For example: A work day for an employee who is paid for a 35 hour workweek shall be considered to be 7.0 hours; a work day for an employee who is paid for a 32 hour workweek shall be considered to be 6.5 hours. Employees may work a flexible schedule with permission of the Department Head.

For Example: If an employee's regular work week is 40 hours, their work day would be 8 hours and the maximum amount of comp time they would be allowed to accrue would be 80 hours per calendar year.

Compensation Time and Overtime in adherence to Federal Labor Standards Act Classifications

FLSA Non-Covered and Exempt Employees – In accordance with the Fair Labor Standards Act, FLSA non-covered and exempt employees will not be paid for overtime but may receive “compensatory time” for hours worked in excess of the employee’s normal pay period for Class A, B, and C employees.

Exempt employees will receive compensatory time at their regular hourly pay for hours worked over their standard work week.

FLSA Non-Exempt Employees (Employees working 40 hours per week) – In accordance with the Fair Labor Standards Act, an FLSA non-exempt employee will be paid one and one-half times the employee’s regular hourly rate of pay for all authorized time worked over forty hours in a given workweek.

Additionally, non-exempt employees will be paid one and one-half times the employee’s regular hourly rate of pay for all authorized time worked over eight hours in a given work day. Overtime hours shall be calculated both on daily and weekly basis however those hours shall not be duplicated; i.e. hours determined to be overtime for a given day will not also be used toward the calculation of overtime based on a max of 40 hours in the work week. Hours worked do not include vacation, personal time, or leave for medical purposes, but do include holidays.

A non-exempt employee may wish to receive compensatory time off in lieu of overtime pay. The option to grant compensatory time is at the discretion of the employee’s Department Head.

When a non-exempt employee chooses to receive compensatory time off and it is approved, the employee will be credited with the equivalent of one and one-half hours for all authorized time worked that would qualify as overtime as defined above. An employee may accumulate up to ten standard work days in compensatory time credits. An employee must use all compensatory leave credits within the calendar year in which they are earned.

Example: a non-exempt worker works a 10 hour day. The employee is paid at the normal rate of pay for 8 hours. The 2 hours of overtime would have been paid at 1.5 times the normal rate of pay. It can be taken as compensatory time off at 1.5 times the hours worked overtime, or for this example, 3 hours of time off.

FLSA Non-Exempt Employees (Employees Working <40 Hours per week) – The above policy for non-exempt employees working 40 hours per week applies for non-exempt employees working <40 hours per week except for the following: Non-exempt employees working a standard work week of less than forty hours will be compensated for time worked over their standard number of work week hours at their regular rate of pay or can receive one hour of compensatory time for every hour worked up to forty hours in a given work week if the additional work was approved by the department head.

Compensatory time for non-exempt employees working less than 40 hours is prorated for Class B, and C employees. For example an employee working thirty hours per week is eligible to accumulate and use 10 six hour days of compensatory time annually. For each extra hour worked over the employees normal work hours, the employee can take an equal amount of compensatory time up to 40 hours.

Overtime: See section 401.

Termination from Employment – An employee whose employment with the Town is terminated will receive cash payment for unused compensatory credits to which the employee is properly entitled at the employee's then current rate of pay.

603 **Call-In Pay** (Amended 2/13/18)

Call-in time is defined as when an employee is not at work and they are asked to come into work outside normal work day hours. Normal work day hours are set by the department head (Highway Superintendent) and can vary seasonally. Normal work day hours are set annually by the Highway Superintendent at the Organizational Meeting. Call-in time starts when an employee is contacted by their Supervisor. The employee then has 30 minutes to report to work. Staying late to work overtime is not considered call-in time.

Hours worked as call-in hours (including travel time) are considered hours worked for the purposes of calculating overtime.

Call-in time will be paid at 1.5 times the employee's regular rate of pay, except if they are worked on a holiday (see Holiday Pay section).

Employees called in to work outside their regular work day for hours that do not abut their normal work day will be guaranteed a minimum of 3.5 hours of pay at 1.5 times their normal rate of pay unless the call-in occurs on a holiday (see Holiday Pay section).

Examples:

Example 1: Defining Call-In time:

The normal work day is from 7:00 a.m. to 3:30 p.m.

An employee is called in (contacted by the Highway Superintendent) to work at 4:30 a.m., reports to work at 5:00 am and works until 3:30 p.m.

The 2.5 hours from 4:30 to 7:00 am is call-in time.

Or if the employee works a normal work day, leaves work at 3:30 pm and then is contacted by their supervisor at 7:00pm, reports to work at 7:30 pm and works to 9:00 p.m., the time from 7:00 to 9:00 is call-in time. The guaranteed minimum of 3.5 hours would apply in this situation and the employee would be paid for 3.5 hours of call-in time at 1.5 times the employee's regular rate of pay.

For examples of how call-in pay is calculated, refer to Appendix P.

604 **Pay Period and Check Distribution**

Payroll Period – Normally, employees are paid on a bi-weekly basis. An employee's paycheck will be based on the amount earned during the preceding payroll period. Certain employees may be paid on a different schedule as established by the Town Board.

Payday – Under normal circumstances, paychecks will be issued no later than Wednesday. In the event the payday is a designated holiday, paychecks will be distributed on the following workday.

Distribution – The Bookkeeper will deliver paychecks to the Department Heads and the Town Clerk for further distribution to employees.

Direct Deposit – The Town provides a direct deposit option for employees. If elected, the paycheck will be deposited directly into the employee's account at the designated financial institution. The employee must submit a signed, written authorization for direct deposit to the Bookkeeper.

Authorized Check Release – The Department Head will not release a paycheck to anyone other than the employee unless the employee has submitted a signed, written authorization with the Bookkeeper.

605 Payroll Deductions

Statutory Deductions – The required portion of an employee's pay for federal and state taxes, and any other deduction required by law, will be deducted from the employee's paycheck. Such deductions will be noted on the paycheck.

Voluntary Deductions – Payroll deductions provided through the Town's payroll system will be made from an employee's paycheck when authorized by the employee. Such deductions will be noted on the paycheck.

606 *Deferred Compensation Plan*

Summary – The Town of Ulysses has established a Deferred Compensation Plan whereby a portion of an employee’s salary may be voluntarily withheld and invested. The money saved is paid out to the employee at a later date, generally during retirement years. Neither the deferred amount nor earnings on investments are subject to current Federal and State Income Taxes. Taxes become payable when the deferred income plus earnings are distributed to the employee, presumably at retirement when the tax bracket may be lower. A description of the plan may be obtained from the Bookkeeper.

700 EMPLOYEE BENEFITS

701 **Holidays** (Amended 11/22/16, 1/23/18)

Designated Holidays – The Town of Ulysses currently observes the following holidays:

1. New Year's Day	7. Columbus Day
2. Martin Luther King Day	8. Veterans Day
3. Presidents' Day	9. Thanksgiving Day
4. Memorial Day	10. Day after Thanksgiving
5. Independence Day	11. Christmas Day
6. Labor Day	*Floating Holiday

**Class A, and B employees are credited with one floating holiday each January 1 which must be used during that calendar year. A newly hired Class A or B employee will be granted a floating holiday for use during the first calendar year of employment only if the employee's date of hire is prior to July 1. An employee must receive prior approval from the employee's Department Head to take the floating holiday.*

Eligibility – Class A and B employees are eligible for holiday pay at the employee's regular rate of pay. Class C employees paid on a salary basis will receive their regular pay during a pay period in which a holiday occurs. Holiday pay will be based upon the employee's scheduled hours on the day the holiday occurs.

Holiday Pay – Class A and B employees are eligible for holiday pay at the employee's regular rate of pay prorated for part time employees for each of the designated holidays shown above.

Holiday Day – For purposes of this policy, a "holiday day" shall be defined as the total number of paid hours an employee normally works on the day of the week the holiday is observed.

Holiday Observance – In the event a designated holiday occurs on a Saturday, the holiday will be observed on the preceding Friday. In the event a designated holiday occurs on a Sunday, the holiday will be observed on the following Monday.

Called in to Work on a Holiday – Class A, B and C FLSA non-exempt employees who are required to work on a designated holiday will receive holiday pay (as defined above) plus wages at double the employee's regular rate of pay for actual hours worked or as a guaranteed minimum of three (3) hours at double the regular rate of pay. A Class C, temporary, or seasonal employee who works on a designated holiday will be paid at the employee's regular rate of pay.

Employees called in on a holiday will be compensated for travel time at double the employee's rate of pay for 30 minutes of time total. Travel time is not considered part of hours worked when calculating overtime.

702 **Vacation Leave** (Amended 4/22/14, 12/8/15, 11/22/16, 1/23/18, 4/10/18)

Eligibility – Class A and B employees are eligible for paid vacation leave in accordance with this policy. Class C, temporary and seasonal employees are not eligible for paid vacation leave but may be allowed to take time-off without pay provided the employee has prior approval from the Department Head.

Work Day – For purposes of this vacation leave policy, a “work day” shall be defined as the total number of paid hours an employee is scheduled to work in a workweek (as defined by their department head), divided by five, rounded up to the nearest half hour. For example: A work day for an employee who is paid for a 35 hour workweek shall be considered to be 7.0 hours; a work day for an employee who is paid for a 32 hour workweek shall be considered to be 6.5 hours. Employees may work a flexible schedule with permission of the Department Head.

Allowance – Class A, B and C employees will be credited with paid vacation leave in accordance with the vacation schedule below on an accrual basis. An employee may take vacation leave only after it has been accrued. Vacation leave accrual will be recalculated on the employee’s anniversary date of hire. Vacation leave hours are considered as “hours worked” and are included when calculating overtime pay for the day or the week.

Years of Service:	Vacation Leave
0- ≤1 year	See “New Employees”
≥1- ≤2 years	10 work days
≥2- ≤3 years	12 work days
≥3- ≤4 years	13 work days
≥4- ≤5 years	14 work days
≥5- ≤6 years	15 work days
≥6- ≤7 years	16 work days
≥7- ≤8 years	17 work days
≥8- ≤9 years	18 work days
≥9- ≤10 years	19 work days
≥10- ≤20 years	20 work days
Over 20 years	25 work days

New Employees – A newly hired Class A and B employee will accrue one half day of vacation leave for every month of employment, up to a maximum of six days.

Continuous Service – Service periods shown above refer to “Continuous Service”, which shall mean uninterrupted service. An authorized leave of absence without pay, or a resignation followed by reinstatement within one year following such resignation, shall not constitute an interruption of continuous service. However, the duration of the absence from work without pay will be excluded from the computation of length of continuous service. Vacation is earned only for monthly pay periods during which an employee is in full pay status for at least fifteen working days during such monthly pay period.

Scheduling – An employee must receive prior approval from the employee’s Department Head to take vacation leave. Vacation leave credits may not be used in increments of less

than one hour. The Department Head will have total discretion in the approval of vacation leave.

Accumulation – An employee may accumulate vacation leave credits up to a maximum of two times the employee’s applicable yearly accumulation. For example, an eligible employee with five years of service may accumulate a maximum of thirty days of vacation leave. Elected officials are not eligible for this paid time off benefit.

Holiday During Scheduled Vacation – In the event a designated holiday occurs on an employee’s normal workday and the employee is on paid vacation, the employee will receive holiday pay for the day and the employee’s vacation leave credits will not be charged for that day.

Separation of Employment – An employee who resigns, retires or is laid off will receive cash payment for unused vacation leave to which the employee is properly entitled at the employee’s then current rate of pay. To be eligible to receive this payment, an employee who is to resign or retire must give written notice at least two weeks in advance of the last day of employment as well as have maintained a bi-weekly timesheet with their supervisor’s signature. In the event an employee leaves employment due to disciplinary action, the employee will not receive a settlement for unused vacation leave. In cases of death of an employee, the Town will pay the employee’s estate for any unused vacation leave. Elected officials are not eligible for this paid time off benefit.

703 **Sick Leave** (Amended 4/22/14, 12/8/15, 11/22/16, 1/23/18, 4/10/18)

(also see Section 508 – family and medical leave policy)

Eligibility – Class A and B employees are eligible for paid sick leave in accordance with this policy. Class C, temporary, and seasonal employees are not eligible for paid sick leave.

Work Day – For purposes of this sick leave policy, a “work day” shall be defined as the total number of paid hours an employee is scheduled to work in a workweek, divided by five, rounded up to the nearest half hour. For example: A work day for an employee who is paid for a thirty-five hour workweek shall be considered to be seven hours; a work day for an employee who is paid for a thirty-two hour workweek shall be considered to be six and a half hours.

Allowance – An eligible employee will be credited with the equivalent of one work day of paid sick leave each month. An employee may take sick leave only after it has been credited. The employee will be credited upon the last posting of the last payroll of the month in which the sick leave has been earned. Sick leave hours are considered time worked and are included when calculating overtime pay for the day or the week.

New Employee – A newly hired employee will begin to accumulate sick leave upon hire. Sick leave credits are eligible to be used only after they have been earned.

Notification of Sick Leave – In the event an employee must take sick leave, the employee must notify the Department Head prior to the employee’s scheduled reporting time. The notification must be made personally to the Department Head, unless the Department Head authorizes the use of an answering device for this purpose. Unless an extended sick leave absence has been authorized, the employee must notify the employee’s Department Head each day of the absence. These procedures must be followed to receive paid sick leave.

Proper Use of Sick Leave – Sick leave is provided to protect an employee against financial hardship during an illness, injury, or medical procedure. An employee may use sick leave credits for a personal illness, injury, or medical/dental appointment that inhibits the employee’s ability to work. Sick leave credits may not be used in increments of less than 1/2 hour. An employee may take sick leave only after it has been credited.

Family Sick Leave – An employee may use up to five days of sick leave credits annually for family illness or injury if the employee must provide direct care to an immediate family member. Such leave will be subtracted from the employee’s accumulated sick leave credits. For purpose of family sick leave, “immediate family member” will mean the employee’s parent, spouse/domestic partner or child, including step-child and foster child. See also Section 508.

Accumulation – An employee may accumulate sick leave credits to a maximum of one hundred and twenty work days. It is important to recognize that paid sick leave can provide income protection and continued medical insurance coverage in the event the employee is unable to work for a long period of time due to illness or injury. Therefore, each employee should take care to manage the use of sick leave to ensure adequate time is available should such a need arise. Sick leave is tracked and reported on each

employee's paycheck based on an employees approved time sheet. Elected officials are not eligible for this paid time off benefit.

Medical Verification – The Town may require medical verification of an employee's absence if the Town perceives the employee is abusing sick leave, or has used an excess amount of sick leave, or when an employee is absent for more than five consecutive workdays due to an illness or injury. If an employee is on an authorized leave of absence, the provisions of the Family and Medical Leave Policy in this Personnel Policy shall apply.

Abuse of Sick Leave – An employee who, after investigation, is found to have abused the use of sick leave or falsifies supporting documentation, will be subject to disciplinary action.

Separation of Employment – An employee whose employment with the Town is terminated due to a resignation, death or disciplinary discharge will not receive cash payment for unused sick leave. An employee who retires from the Town (i.e. has applied for and been granted a bona-fide retirement benefit from the New York State Employees' Retirement System) may apply the dollar value of up to one hundred and twenty days of accumulated sick leave (based upon the employee's rate of pay on the date of retirement) towards the cost of the retired employee's portion of the health insurance premium and when Medicare eligible, this would apply to the Medicare supplemental. To be eligible to receive this payment, the retiree must give written notice at least two weeks in advance of the last day of employment as well as have maintained a bi-weekly timesheet with their supervisor's signature. Elected officials are not eligible for this paid time off benefit.

704 Personal Leave (Amended 1/23/2018)

Eligibility – Class A and B employees are eligible for paid personal leave in accordance with this policy. Class C, temporary, or seasonal employees are not eligible for paid personal leave.

Work Day – For purposes of this personal leave policy, a “work day” shall be defined as the total number of paid hours an employee is scheduled to work in a workweek, divided by five, rounded up to the nearest quarter hour. For example: A work day for an employee who is paid for a 35 hour workweek shall be considered to be 7.0 hours; a work day for an employee who is paid for a 32 hour workweek shall be considered to be 6.5 hours.

Allowance – An eligible employee will be credited with three work days of paid personal leave on an annual basis. The employee will be credited each year on their anniversary date. An employee may take personal leave only after it has been credited. Personal leave hours are considered time worked and are included when calculating overtime pay for the day or the week.

New Employee – A new employee will be credited with three work days of paid personal leave after the completion of six months of continuous service or completion of their probationary time, whichever is less, as specified in Section 303 *Length of Probationary Period*. Thereafter, the employee will be credited with three work days of paid personal leave on each subsequent anniversary date.

Proper Use of Personal Leave – An employee may use personal leave credits to conduct personal business which cannot be conducted outside of normal working hours, non-emergency medical and dental appointments, and for personal reasons. Personal leave credits may not be used in increments of less than one hour.

Scheduling – An employee must receive prior approval from the employee’s Department Head to take personal leave. The Department Head will have total discretion in the approval of personal leave.

Accumulation – An employee may not accumulate personal leave credits. Any personal leave credits remaining unused as of the employee’s anniversary date will not roll forward.

Separation of Employment – An employee whose employment with the Town is terminated for any reason, including retirement, will not receive cash payment for unused personal leave.

705 **Disclosure of Insurance Benefits**

Summary – The following is a brief description of the insurance benefits currently offered by the Town to eligible employees. Eligibility for benefits is dependent upon a variety of factors, including employment classification and length of service. The description of the benefits provided is only an overview. The plan documents or specific government regulation provide a full description of the specific benefit.

Plan Administrator – The Town Clerk serves as the Administrator of the Town's benefits plans. The Administrator is responsible for all communications and disclosures concerning Town benefits and is available to answer questions concerning the benefit plans. A description of each of the plans may be obtained from the Town Clerk.

Plan Documents – Benefits are administered according to applicable government regulation, benefit plan documents, insurance carrier master policy, or Town policy. Should there be a discrepancy between the information presented in this Personnel Policy and the benefit plan document, the Town Board has the discretionary authority to determine eligibility for benefits and to interpret the plan's terms. The Town Board is responsible for compliance with all applicable laws and regulations. The Town Board may, at its discretion, change carriers and/or offer alternative insurance plans.

Changes in Benefits – Any benefit offered by the Town to employees or Elected Officials is subject to change or discontinuance by resolution of the Town Board.

Waiver of Benefits – An employee who is eligible to participate in any of the available insurance plans but who elects not to participate must sign an appropriate waiver of enrollment form.

Enrollment Information – The Town Clerk will provide the employee with the enrollment forms and assist with the administrative and operational aspects of the various insurance plans. Enrollment in a benefit plan is not automatic. Employees must complete the appropriate enrollment forms and applicable payroll deduction authorizations in order to receive benefits.

Changes in Status – Employees whose status changes from one class to another are notified of the changes to their Town benefits. This notification contains all legally mandated information regarding applicable benefits, including COBRA health insurance continuation. An employee must immediately notify the Town Clerk in the event that the employee has a change in marital or family status that may affect coverage, such as marriage, divorce, legal separation, death of a spouse or dependent, acquiring or losing a dependent, or changes in address.

Beneficiary – Under some of the Town's benefit plans, each employee must designate a beneficiary for the employee's death benefits. This designation must be made in writing and on the form provided by the plan Administrator.

706 **Medical & Vision Insurance** (Amended 4/22/14, 12/8/15, 11/22/16)

Eligibility – The Town will make available medical insurance coverage to each Class A and B employee and their eligible family members. Certain Elected Officials, as designated in section 103 and 104 will also be eligible for medical insurance coverage. These Elected Officials will be deemed eligible for medical insurance coverage based on the number of hours worked. A Class C, temporary or seasonal employee is not eligible for this plan.

Vision Insurance – The Town medical insurance includes vision coverage.

When Coverage Begins – Coverage will begin on the employee's first day of employment or for Elected Officials, the first day of office, provided all eligibility requirements of the insurance plan are met.

When Coverage Ends – Coverage ends on the last day of the month in which the employee separates from employment or the Elected Official ends elected service. Coverage may continue for such eligible employees and Elected Officials in accordance with COBRA regulations. Coverage will continue for eligible retirees in accordance with Town policy and plan documents.

Premium Payment – The amount of the insurance premium an employee or Elected Official is required to contribute is as follows

Premium Reimbursement Payments

Table 706 B

Employee Class (Hours/week)	Rate of Contribution	
	Town	Employee
A (30 or more)	90%	10%
B (20 or more, <30)	50%	50%
C (<20)	0%	100%

Pre-Tax Insurance Premiums – The employee's contribution towards the health insurance premium will be paid with pre-tax dollars. Deductions are taken from the employee's paycheck before federal, state, and social security taxes are calculated. This reduces the employee's taxable income and increases net take-home pay.

Health Savings Accounts (added 11/22/16; amended 5/9/17, 10/10/17)

The IRS allows employers and eligible employees to contribute to HSAs. The Town will contribute to a health savings account (HSA) for each employee who is eligible and signed up for health insurance through the town. Annually, the town board will contribute an amount not to exceed 50% of the in-network, out-of-pocket maximum. Employees or Elected Officials may contribute pretax dollars to their HSA in addition to funds the town has

contributed up to the combined allowable limit as determined by the IRS. Funds belong to the employee or elected official, subject to IRS regulations.

Newly hired employees are entitled to a prorated portion of the HSA funds based on their date of hire. The rate contributed would be proportional to the number of months left in the year the employee was hired. For example, if the HSA contribution from the town is \$2000 annually and the new employee begins work on October 1 (3/4 of the way through the year), the amount the town would contribute to the employee's HSA would be 1/4 of \$2000, or a total of \$500.

Coverage for Active Employees When Medicare Eligible – Permanent Employees or Elected Officials as well as dependent(s) who are eligible for Medicare must enroll in both Medicare Part A and Part B during the open enrollment period each year. The individual employee is responsible for Medicare enrollment. The Town will pay for the approved Medicare Supplemental Insurance for the Medicare eligible employee or Elected Official at the rate specified on tables 706 A and B. There will be no reimbursement for Part A. The Town will pay the percentage specified on tables 706 A and B of the employee's dependents policy for the employee's or Elected Official's dependent(s) should the dependent(s) be ineligible for Medicare, the percentage specified on tables 706 A and 706 B of a Medicare Part B and Medicare Supplemental insurance plan for the dependent(s) who are/is eligible for Medicare.

707 Medical Insurance for Retirees (Amended 4/22/14, 12/8/15, 12/14/15)

Definition of Retirement – Retirement is defined as the day when the employee begins to collect retirement from the New York State Local Retirement System.

Coverage – The Town currently offers medical insurance coverage to an eligible Class A, B and C employee who retires from the Town. Coverage is also currently available for eligible dependents (includes spouse) if they were covered under the Town’s medical insurance plan at the employee’s date of retirement. In the event the retiree predeceases the dependents, the dependents may continue medical insurance coverage provided they pay the full cost of the premium. Coverage of a dependent at the time of divorce or legal separation is in accordance with COBRA requirements.

Coverage for Medicare Eligible Retirees- Town provides Medicare Supplemental Insurance at the percentage rates listed in the table below. Per insurance company requirements, the retiree and/or eligible dependent must enroll in both Medicare part A and part B to be eligible for this coverage. Coverage includes prescriptions for employee and Medicare eligible spouse. The retiree is required to pay his or her share of the Medicare Supplemental insurance (based on the table 707 A on the next page) on a quarterly basis. The Town will not pay for Part A or Part B, even if the employee was enrolled in Medicare as an active employee.

Eligibility and Premium Payments– To be eligible for coverage, the retired employee must meet the requirements set forth in the table below. Coverage for retirees less than 65 years of age includes dependents who were covered under insurance before retirement. Employees must register for Medicare as their primary insurance at age 65. If an employee is eligible for Medicare and their dependents are not, dependents that were on the employee’s insurance plan at the time of retirement are eligible for the insurance provided through the Town at the same level of coverage the employee is entitled to. An employee who leaves employment due to disciplinary action is not eligible for medical insurance or prescription drug coverage for retirees. These eligibility requirements are subject to change by resolution of the Town Board. Current retirees are eligible to continue to receive the benefits that were in force when they retired from the Town.

Medicare Supplemental Plan

The Town Board will annually approve the Medicare Supplemental Plan to be used. If the retiree elects to use a different plan, the Town will provide a reimbursement equivalent to the dollar value the retiree is eligible for based on the Town Board approved plan. The retiree must provide proof of payment on a quarterly basis in order to receive the reimbursement. If the retiree chooses a plan that is more expensive than the approved plan, the Town is not responsible for reimbursement for anything but the equivalent dollar value the retiree is eligible for. If the retiree chooses a plan that is less expensive than the approved plan, the Town will only reimburse the amount of that less expensive plan.

Changes in Premium Contributions and Plan – The Town Board understands that part of retirement planning is based on the contribution the town will make to health insurance costs and will take this into consideration if any changes to this policy should be necessary.

708 **Dental Coverage**

Eligibility – The Town currently offers a dental and vision plan to Class A and B employees and Elected Officials as well as retirees and dependents that retired as a Class A and B employee and are eligible for health insurance per table 707 A. Class C employees are not eligible for these plans.

When Coverage Begins – Coverage will begin on the first day of the month following the completion of one month of employment or term, provided the employee meets all eligibility requirements of the plans.

Employee Premium Contribution – The Town will pay 50% of the premium for an individual or family dental or vision plan for a Class A or B employee or Elected Official as well as eligible retirees and dependents. Class C employees will be eligible to enroll in the Town's individual or family dental or vision plans but will be responsible for the full premium payment. Any required premium payments may be deducted made on a pre-tax basis in accordance with Section 125 of the Internal Revenue Code.

Changes in Premium Contributions – The amount of the insurance premium an employee or Elected Official is required to contribute is subject to change by resolution of the Town Board. The Town Board will provide a 12-month written notice of such change.

709 **Continuation of Health Insurance Benefits (COBRA/NYS Continuation Coverage)**

Summary – The federal Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) offers “qualified beneficiaries” the right to continue existing health insurance coverage, completely at their own expense, under certain qualifying conditions. **All required premiums and administrative fees must be paid in a timely manner in order for coverage to continue.**

NYS Continuation Coverage – For purposes of this policy, references to COBRA will be considered to incorporate the requirements for “Continuation Coverage” set forth in NYS Insurance Law, which provides enhancements over and above the provisions of COBRA.

Eligibility – An individual is a “qualified beneficiary” if the individual is covered under a group health plan on the day before a qualifying event as either a covered employee or Elected Official, the spouse of a covered employee or Elected Official, or a dependent child of a covered employee or Elected Official. A child who is either born to or who is placed for adoption with the covered employee or Elected Official during a period of COBRA coverage is also a “qualified beneficiary” entitled to COBRA coverage.

Period of Coverage – COBRA coverage is in effect for a period of up to **thirty-six months**, following any qualifying event. The COBRA requirements do not put any limit on the number of times a qualified beneficiary may be entitled to COBRA continuation coverage.

Qualifying Events – If a qualified beneficiary loses coverage under a group health plan as a result of a “qualifying event,” the qualified beneficiary is entitled by COBRA to the continuation of group health insurance coverage at the qualified beneficiary’s own expense. Any of the following circumstances are considered to be qualifying events:

- Termination of the covered employee’s (or Elected Official’s) employment for any reason except gross misconduct, or the covered employee’s loss of eligibility to participate due to reduced work hours.
- When a covered employee is on a leave of absence due to military service obligations.
- Death of a covered employee or Elected Official.
- Divorce or legal separation from a covered employee or Elected Official.
- A covered dependent ceases to be a "dependent child" under the health insurance plan.
- A covered dependent child's loss of eligibility to participate in the insurance plan due to the covered employee or Elected Official becoming covered by Medicare as a result of total disability or choosing Medicare in place of the insurance plan at age sixty-five.

Change in Beneficiary Status – An employee or Elected Official must notify the Town Clerk within sixty calendar days of a legal separation or divorce or when a dependent is no longer eligible for insurance due to the age limitations or educational status requirements established by the insurance plan. The Town will not be responsible for any loss of

coverage resulting from failure by the employee or Elected Official to give notification of such an event.

Enrollment Information – The Town Clerk will provide the employee or Elected Official with the enrollment forms and assist with the administrative and operational aspects of COBRA. Enrollment is not automatic. The employee or Elected Official must complete the necessary enrollment forms and return all COBRA forms to the within Town Clerk the time indicated. If the required forms or premium payments are not received at the time specified, medical insurance coverage will cease.

710 **Short-Term Disability Benefits**

Eligibility – Class A and B employees are currently provided with short-term disability coverage in accordance with this policy. A Class C, temporary, or seasonal employee is not eligible for paid short-term disability coverage. This benefit is to supplement loss of time from work due to a qualified non-job related illness or injury.

Summary - The Town currently offers a short-term disability plan for non-job-related injuries or illnesses that meets the minimum requirements of New York State Disability Insurance. The insurance company makes the determination of whether an employee is eligible for short-term disability benefits. Disability payments will be in accordance with the terms of the policy. The duration of disability benefits is dependent upon a physician's certification and consistent with the terms of the policy and may continue up to a maximum of twenty-six weeks. An employee generally receives 50% of the employee's average weekly wages based on the previous eight weeks of employment, up to a maximum of \$340 per week. There is no coverage for medical care.

Waiting Period – There is a 7-day waiting period for which no benefits are paid. Benefits start on the eighth consecutive day of disability.

When Coverage Begins – Coverage will begin on the employee's first day of employment, provided the employee meets all eligibility requirements.

Disability Payments – Disability payments will be in accordance with the terms of the policy. The duration of disability benefits is dependent upon a physician's certification and consistent with the terms of the policy. 1100 DISPUTE RESOLUTION

1101 *Dispute Resolution Procedure*

Policy Statement – The Town Board has established a set of procedures to provide for the orderly resolution of differences at the earliest possible stage and to promote a harmonious and cooperative relationship between employees, Department Heads and members of the Town Board which will enhance the overall operation of the Town. The Town will attempt to resolve all work-related complaints that are appropriate for handling under this policy.

Definition of Dispute – For the purpose of this Personnel Policy, a “dispute” will mean a claimed violation, misinterpretation or inequitable application of any of the provisions of this Personnel Policy. In addition, the term “dispute” shall not apply to any matter as to which the Town is without authority to act. A few examples of matters that may be considered appropriate disputes under this policy include:

- A belief that Town policies, practices, rules, regulations, or procedures have been applied in a manner detrimental to an employee;
- Treatment considered unfair by an employee, such as coercion, reprisal, harassment, or intimidation;
- Alleged discrimination because of race, color, sex, age, religion, sexual orientation, national origin, marital status, disability; or any other protected class; and
- Improper or unfair administration of employee benefits or conditions of employment such as scheduling, vacations, fringe benefits, promotions, retirement, holidays, salary, or seniority.

Step One – An employee who claims to have a dispute may present the dispute to the employee’s Department Head. The dispute must be submitted, in writing, within seven working days following knowledge of the event(s) which caused the dispute or when the employee should have had knowledge. The dispute will specify the date of submission, the name of the aggrieved employee, the date the dispute arose, the nature of the dispute, the provision of the Personnel Policy that was allegedly violated and a statement of facts, times, dates, and the remedy sought.

Within seven working days after receiving the dispute, the employee’s Department Head will meet with the employee to discuss and attempt to resolve the matter.

Step Two – In the event the informal dispute is not resolved at Step One, or the employee reasonably believes that the employee cannot present the dispute to the employee’s Department Head, the employee may submit the matter to the Town Supervisor. The dispute must be submitted, in writing, within seven working days from receiving the Step One response, or when the response should have been received or if Step One is not utilized for the above reason, within seven working days following knowledge of the event(s) which caused the dispute or when the employee should have had knowledge.

Within seven working days after receiving the dispute, the Town Supervisor will meet with the employee to discuss and attempt to resolve the matter. Within seven working days from the meeting, the Town Supervisor will issue a written response.

Step Three – In the event the employee is not satisfied with the response at Step Two, the employee may submit the matter to the full Town Board by filing a Request for Hearing with the Town Clerk. The Request for Hearing must be submitted, in writing, within seven working days from receiving the Step Two response, or when the response should have been received. The Request for Hearing will include a written statement of the dispute as outlined in Step One of this Procedure.

The Town Board will set the time and place for the hearing. All decisions rendered by the Town Board will be final and binding.

Time Limits – The employee must adhere to the time limits set forth in this dispute procedure. In the event the employee does not advance the dispute to the next step within the established time limit, the dispute will be considered withdrawn and no further appeal will be accepted. The time limits may be extended by mutual agreement provided the extension is in writing, dated and signed by the employee and the person who is to receive the dispute.

Final Decisions – Final decisions on disputes will not be precedent-setting or binding on future disputes unless they are stated as official Town policy.

Proper Use of Dispute Resolution Procedure – Employees will not be penalized for proper use of the dispute resolution procedure. However, it is not considered proper use if an employee raises a dispute in bad faith or solely for the purposes of delay or harassment, or repeatedly raises meritless disputes. Implementation of the dispute procedure by an employee does not limit the right of the Town to proceed with any disciplinary action that is not in retaliation for the use of this procedure.

Refusal to Proceed with Dispute – The Town Board may, at its discretion, refuse to proceed with any dispute it determines is improper or baseless under this policy.
