Town Purchase of Exxon-Mobil properties in Jacksonville

The Town of Ulysses finalized the purchase of the "Old Church" at 5020 Jacksonville Road, along with 2 other vacant parcels in mid-July. A banner has been posted in front of the church describing this Historic Preservation Project. At the end of August, 30 years of debris was cleaned out and minor repairs will be made as part of the preparation to sell this 1827 historic structure to a buyer who is willing and able to preserve the exterior while re-purposing the interior for uses allowed by zoning. For more information, check the Town's website or contact Nancy Zahler at zahler@ulysses.ny.us.
